

Helping keep our kids safe before and after school

This term, your child's school is participating in Auckland City Council's Chaos at the School Gate safety programme.

Chaos at the School Gate has been very successful in helping to reduce the danger to children when streets are busy before and after school.

During term time, you may see parking officers on the streets around your child's school. The officers are there to make sure people are cooperating with our normal parking rules as

set out in the New Zealand Road Code.

The approach of the Chaos at the School Gate programme is zero tolerance – which means you can expect to receive a ticket if you're double-parked, parked on yellow lines, or parked over someone's driveway – as well as a number of other offences.

Before and after school is a busy time for everyone – but please help us keep Auckland's kids safe by sticking to the rules.
