

Swimming Pool

PROCEDURES

Contents

- A. School Use
- B. Outside of School Hours Use
- C. Pool Maintenance
- D. Changing Rooms and Other Facilities

A. SCHOOL USE

1. During any session when the pool is in use, there will be a trained teacher supervising this activity.
2. Behaviour that could be considered dangerous such as running, pushing, excessive noise, holding under and bombing is prohibited.

B. OUTSIDE OF SCHOOL HOURS USE

1. Each year the Board of Trustees will make a decision regarding the use of the school pool outside school hours. Refer to Out-of School Procedures if the pool is to be used after hours.

C. POOL MAINTENANCE

1. All pool chemicals should be stored in the locked chemical storeroom. Children should not have access to any storeroom key or be involved in the handling of pool chemicals.
2. The quality of the pool water shall meet the requirements of the New Zealand Standard and current council registration requirements (for school pools).
3. The Property Manager and a suitably qualified assistant are responsible for the operation of the pool and its equipment.

D. CHANGING ROOMS AND OTHER FACILITIES

1. Changing rooms should be maintained to a high standard of hygiene and safety.
2. Toilets and first aid will be provided within the pool enclosure.
3. All pool equipment such as leaf scoops etc should be kept in a secure place out of the thoroughfare to prevent hazardous obstruction.
4. Signage indicating health and safety requirements will be displayed.

5. Animals are not permitted within the pool enclosure.
6. No alcohol shall be allowed within the pool enclosure.
7. The pool gate will be securely closed at all times.
