FLIPPA BALL NOTICE 2012

Dear Families

We are surveying interest among parents in coaching Flippa Ball teams in 2012. If there are enough parents willing to coach teams, we can enter the Year 4, 5, and 6 divisions of the Epsom League. There is a need for coaches at all three levels.

Coaching a team involves coming to games on Sunday afternoons, liaising with players and their families, and attending a weekly after-school training session, (either run by the coach or provided by Water Polo NZ - this will be discussed by the school and potential coaches).

If you are interested in supporting this extra – curricular sport in 2012, please contact Dillon Rungan at drungan@epsomnormal.school.nz by Friday 16 December 2011.

Kind regards

Martha McFaul
PE & Sports Coordinator
